

FRIENDS OF HOLLIN HILLS

PRESERVING A NATIONAL TREASURE—TOGETHER

IMPACT REPORT 2025

Strengthening Community Connections

Hollin Hills was designed to foster connection. Open landscapes and shared pathways create space for neighbors to naturally come together.

In 2025, your generosity translated directly into protecting our legacy through visible, lasting impact: healthier parklands, safer infrastructure, national recognition for Hollin Hills and meaningful opportunities for neighbors to connect around shared values.

OUR PURPOSE

MISSION

To preserve the Hollin Hills Historic District as a nationally significant example of mid-century modern architecture and community development.

FOCUS

- Community Building
- Preservation
- Education
- Nature Stewardship

OUR IMPACT

BUILDING COMMUNITY

- **Drinks with Friends (2 events)**
Social gatherings honored Hollin Hills' tradition of hospitality.
- **FOHH Bocce Party** An afternoon that combined friendly competition with shared snacks and conversation.
- **Thanksgiving Turkey Trot**
Residents and visitors came together to run and walk through Hollin Hills.

PRESERVING A NATIONALLY RECOGNIZED HISTORIC DISTRICT

As development pressures increase and homes age, proactive preservation is essential. In 2025, FOHH played a direct role in elevating Hollin Hills' national profile.

Key Outcomes

- **Smithsonian Associates Tour**
A curated driving and walking tour introduced a national audience to Hollin Hills' architectural and planning significance.
- **International Confederation of Architectural Museums (ICAM)**
Museum leaders and archivists from across the country toured Hollin Hills as part of a Library of Congress-hosted program, reinforcing its standing among globally significant design communities.
- **CAHH Legal Fund Investment**
FOHH supported the community's ongoing governance and preservation efforts through a contribution to the CAHH Legal Fund.

LEARNING MORE ABOUT OUR HISTORY AND COMMUNITY

Educational activities provide information on our history, architectural significance and best practices for maintaining historic homes and landscapes.

Chats with Friends in 2025

- **Mid-Century Modern Lifestyle: Russell and Mary Wright**
Presented by curator Donald Albrecht explored how MCM design shaped modern American living.
- **Hollin Hills and the Modern Landscape**
Landscape architect Dennis Carmichael offered a compelling look at the evolution of Hollin Hills' outdoor spaces—past, present, and future.

NURTURING HEALTHY PARKLANDS

Hollin Hills' parks are central to daily life—and among our most vulnerable assets. Invasive species remain the greatest threat to our shared landscapes.

2025 Stewardship Investments include financial support for:

- **Removal of invasive plants** across more than one acre in Voigt Park and Upper and Lower Goodman Park.
- **Continued multi-year restoration of Voigt Park**, expanding usable and resilient green space.
- **New pedestrian bridges** in Brickelmaier and Voigt Parks, designed and executed by Robert Fina and the Parks Committee, improving safety and accessibility for all ages.

YOUR ROLE IN THIS WORK

Friends of Hollin Hills is a 501(c)(3) nonprofit, sustained by donors and volunteers who agree that our shared history, community and parklands need consistent investment.

Your support helps to keep Hollin Hills:

- Architecturally significant
- Environmentally resilient
- Socially connected
- Nationally respected

WITH GRATITUDE

Thank you for supporting Friends of Hollin Hills with funds, participation and volunteering throughout the year. Your investment safeguards a place that is both historically significant and deeply lived in.
